Doan's Kidney Pills relieve backache.

Cure every kidney ill.

Many people in this locality recommend Doan's Kidney Pills.

Here's one case:

Mrs. Augusta Krause, 52 N. James St., Kansas City, Mo., says: "I suffered from kidney complaint for about five years. The chief symptom was a dull, bearing-down pain across the small of my back which increased in severity until I could hardly attend to my household work. I was also subject to dizzy spells during which I was obliged to grasp something to keep falling. I obtained only temporary relief from the several remedies I tried and was in despair when Doan's Kidney Pills were brought to my attention. I had my son procure a box for me. I used them as directed and received prompt and satisfactory relief. I continued taking the remedy until completely cured and am glad to say that during the past nine years, I have had practically no return of kidney trouble. I still occasionally take a few doses of Doan's Kidney Pills, finding them to be a splendid kidney tonic."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

KILLING AT NAPOLEON

Negro Shoots White Man in a Drunken Row.

Walter Thomas, colored, shot and instantly killed William Elder, alias Billy Dixon, a white boy, in a row in the rear of a saloon at Napoleon at 4:30 Saturday afternoon.

Elder, it is said, had been drinking all day and went into the rear yard of the saloon, where he saw the negro talking to a white man. He began to abuse the white man and the negro moved away. Later Elder is alleged to have attacked Thomas with a knife. Thomas at first used two empty beer bottles for weapons and then drew a gun. He fired three shots, two of which took effect, striking Elder in the neck and in the right breast. The gun was a long barreled 38 and both bullets were driven nearly through the body. Either wound was enough to cause death.

Deputy Sheriff Klapp and Prosecuting Attorney Keith went to Napoleon on the evening train. Coroner Mann held an inquest.

Thomas fled immediately after the shooting and the officers did not get him Saturday night. The advised his mother, however, to send him to jail and this she did. Thomas gave himself up Sunday morning. He will probably offer self-defense as a plea. The state will prosecute for carrying concealed weapons in addition to the manslaughter charge.

Elder was about nineteen years old and formerly lived on his father's farm near Carrollton. He was working as a farm hand near Napoleon. His sister, Mrs. Arch Glover, of Richmond took the body home for burial.

Commercial Bank's Anniversary.

Monday was the twenty-fifth anniversary of the founding of the Commercial bank of this city, as it first opened its doors for business November 1, 1884. This bank has the largest capital and surplus in the county. Its capital is \$75,000 and, though it has constantly paid dividends of 8 and 9 per cent, it has amassed a surplus of \$50,000. The first president plus of \$50,000. Its first president Taubman. At his death he was succeeded by the present head of the institution, E. M. Taubman, his son. Since the first William H. Chiles has been the vice-president. Owing to the increased business it was thought advisable last year to elect an active second vice-president and Frank Hoefer of Higginsville, a banker of experience and ability, was secured for this position. Messrs. Taubman, Chiles and Hoefer and the cashier, W. J. Bendor, are the present officials. Under this management the bank is prospering and growing.

Marcosson Coming.

Central College for Women has announced the first visit of Sol Marcosson, the non-resident director of the violin department, for Tuesday, November 16, on the evening of which day he will give a concert in Murrell Auditorium. His wife, a well-known pianiste, will play his accompaniments and will give several piano solos.

A large number of Lexington's music-loving people had the pleasure of hearing Mr. Marcosson last year when he appeared here with William H. Sherwood. He is recognized today as one of the great violinists. This reputation combined with the popularity he gained here last year should insure him a large audience.

Wentworth Won and Lost.

The minor teams of Wentworth made the school break even. The second team lost at Slater to the high school 12 to 0, while the third team won on its own ground from Woodson Institute of Richmond 8 to 0.

Mr. and Mrs. Gus Weber spent Sunday in Higginsville.

Miss Verda Kinkead returned Saturday evening from a visit in Higginsville.

CENTRAL COLLEGE WON

Lexington College the Loser in Exciting Basket Ball Game.

For the first time Lexington and Central colleges of this city had a basket ball game. The contest took place Tuesday afternoon on the Central court before an enthusiastic audience.

The game was exciting and hard fought throughout and it was after a grueling struggle that Central finally won by a score of 12 to 8.

The star of the game for Lexington was Miss Thixton, and for Central Misses Minx and McClure did the best work.

The line up:

CENTRAL LEXINGTON
June Steele...F. Ruie Hendrick
Theresa McClure...Fay Burnett
Josephine Dick...C. Pearl Smith
Blanche Minx...G. Marie Thixton
Dorothea Carter...G. Byrd Rice
Referee, Martin; Umpire Curmutt.

A Change in Barber Shops.

There was considerable activity in local tonsorial circles Monday. Dan Ruebel and Clarence Varner bought out the barber shop of Russell Harding and J. W. Williamson and M. R. McClelland bought the shop of Ruebel and Varner. Messrs. Ruebel and Varner have moved back, therefore, to their old location, while Messrs. Williamson and McClelland now occupy the Grand Central shop. Mr. Harding will work for Ruebel and Varner.

All the gentlemen concerned in these changes are popular and deserving and will doubtless receive a liberal patronage.

The Elk Dance.

The Hallowe'en hop given at the Elks' home Monday evening was one of the most enjoyable social events of the season. It was attended by a crowd of young people which comfortably filled the floor. The grand march was led by George Ker-dolf and Miss Rosalie Sturgis. In the upper hall punch was served throughout the evening and down stairs cider, pumpkin pie and gingerbread.

A feature was the music given by Smith's orchestra of ten pieces. Without doubt this was the best dance music ever furnished by a Lexington orchestra.

Dancing continued until one o'clock.

Deputy Sheriff Walter S. Peacock took Walter Thomas, the negro who shot William Elder at Napoleon Saturday, to his preliminary this morning. Prosecuting Attorney Keith and William Aull, Thomas' attorney, went along.

Burglar Caught.

Wednesday about 1:30 a. m. Jno Geary, who lives on south Twenty third street was aroused by a man falling on his bed. He seized and overcame the intruder, who had entered through a rear window. Mr. Geary's bed was so placed under the window that the burglar on entering the room found himself in Mr. Geary's arms. The intruder had an open razor in his hand; but Mr. Geary had little difficulty in subduing him.

Officer Gaffin was notified and arrested the burglar, who claims to be Billy Levanhan of El Reno, Oklahoma. The preliminary will be before Justice Hicklin tonight.

Verdict for Mrs. Thomas.

In the probate court Tuesday Mrs. Eliza Thomas was awarded a verdict of \$1181.94 by a jury against the estate of James Grant, deceased.

IF SICK--WHY PAY

Unless Health First Returns.

Here is what should and can be done! Now you would not willingly pay for food that was worthless—would you? Then why pay for medicine until that medicine first proves to you its actual worth? Positively knowing what Dr. Shoop's Restorative can do for the sick, I say to all "don't pay unless health first returns." And I back my Restorative with a signed and sealed 30-day "No help, No pay" contract. I positively pledge to the sick everywhere that "Dr. Shoop's Restorative is absolutely free if it fails." Let others do the same—or else pass their prescriptions by.

If you need more strength, more vitality, more vigor or more vim, use Dr. Shoop's Restorative a few days and note the immediate improvement. When the stomach, heart, or kidneys go wrong, then test Dr. Shoop's Restorative. I do not do the stomach nor stimulate the heart or kidneys, for that law long years ago I cast away that mistaken idea in medicine. The books below will tell you how I am succeeding.

These books also tell of a tiny hidden "inside nerve," no larger than a silken thread. They tell how that nerve, until it falls, actually gives to the heart its power, its tone, its never-ending action or impulse.

These books will open up new and helpful ideas to those who are not well. They tell how the stomach, and kidneys each have their "inside" or power nerve. They tell how the Restorative was especially made to reach and revitalize these weak or failing inside nerves. All of these facts tell why I am able to say, "It is free if it fails!"

This is why I say "take no chance on a medicine whose maker dare not back it just as I do by this remarkable offer."

So write me today for the order.

I have appointed honest and responsible druggists in nearly every community to issue my medicines to the sick.

But write me first for the order.

All druggists sell Dr. Shoop's Restorative, but all are not authorized to give the 30 day test. So drop me a line please—and thus save disappointment and delays. Tell me also which book you need.

A postal will do.

Remember, you are free to consult me as you would your home physician. My advice and the book below are yours—and without cost.

Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private prescription or personal advice plan. My best effort is surely worth your simple request. So write now while you have it fresh in mind, for tomorrow never comes. Dr. Shoop, Box 12, Racine, Wis.
